♡Adiren x Gato♡

♡A love story♡

Late dark nights were all the common, coldness of a room occupied by a single person was the usual for most, including Adrian.

Although, he wished it wasn't that way, he wished there was a way to numb the cold and defeat the loneliness of the nights. His screen lit up with a notification from discord, the place where'd he'd always look forward to chatting with people, unwinding from his thoughts and getting *Freaky*, dressing up as a femboy and having some *Freaky* fun time. He opened up the app, curling in bed underneath his blankets, scanning the countless dms from Skewes Basement.

His eyes lit up as he read a text from a certain someone, and the void of loneliness turned into a spark of excitement. His favorite person ever, Gato, had dm'd him, and that was more than enough to get him all giddy.

Gato was a fellow femboy and a best friend to Adiren, they'd always get on calls together and dress up for each other wearing skirts and all the cute dresses they buy each other.

The cold or the room turned to warmth as they chatted back and forth between one another, at some point Adiren needed to unwrap himself from the blankets and sit up on his bed. After a long while of a silence in the dms, Gato had finally sent a new message, causing Adiren to freeze up.

"Hey, you know, we've been chatting for a whole long while now, and I've been thinking..."

Adiren scrolled down further.

"..I was thinking...maybe we could meet up sometime? Like.." there was a pause.

"..a date?"

°• skipping to the *Freaky* part •°

Adiren And Gato Had agreed to meet up at Adirens place, and the thought of having someone as special as Gato over to his very room made Adiren ecstatic. Hed spent the whole day prior cleaning and tidying everything up for Gatos visit, it was important to make sure they had a nice place to get *Freaky* together, just like how they did online.

After one night of waiting excitedly, it was time for Gatos' arrival, and Adiren couldn't wait. He'd prepare all the cutest socks and dresses, putting on a single but *Freaky* pair of black and white thigh highs. He knew they were Gatos favorite pair.

A knock at the door made Adiren really excited, it was time for him to meet up with Gato! He opened the door and was more than ready to meet Gato, but a surprise was waiting for him.

"G-gato- senpai!? Wow!"

"Adrien-Chan!! Woah!"

They wore the same thigh highs, and both were pleasantly surprised to see the same pattern on the others thigh highs.

"Wow...you're just as cute as you are in vc.."

"O-oh! Thank you.."

They walked inside, both feeling red in the face and anxious as they walked to Adirens room. Adiren felt his heartbeat all the way down to his stomach, his chest felt hot. Gato was quick to notice his red tinted face as well.

"You're quite nervous, aren't you?"

Adiren giggled.

"ÆHÀHEÄËHAHE...yeah..teehee"

Gato smirked, that laugh was something he'd never get enough of.

"You know..that laugh is quite the melody to my ears, how about you let me hear it for a bit longer?"

Adiren was confused. "Huh? Gato senpai?"

In a m instant, Gato began to tickle Adrien, making them fall on adriens bed, the laughs of both filling up the room.

"ÆHÀHEÄËHAHEÆHÀHEÄËHAHEÆHÀHEÄËHAHE!!!!"

After a while, they calmed down, laying together on the bed and panting heavily, their faces pink.

"Heh..that was fun.."

"Yeah..it really was.."

Adiren had an idea.

"You know...it doesn't have to be the end of our *fun*..."

Gato quickly caught on, he recognized the tone of voice Adiren had. He smirked.

"Oh really?"

"Yeah..."

Adiren climbed off the bed while Gato sat up, he then placed a hand on his thigh, teasing the edges of the thigh highs and pulling on them a bit.

"We could have...a lot more fun..."

Gato felt the heat of the moment burning in his chest, his heartbeat grew faster.

"How about you show me...just how much."

Adiren jumped on Gato, putting his hands on his neck and wrapping them around him, both sharing an intense kiss, deep and passionate.

Their faces quickly grew red, and their chests were rubbing against each other, Adiren wondered if Gato could feel his heartbeat, or if he was feeling Gatos instead of his own.

After a long make out session, both were hard And ready to move onto the next step. they both nee they wanted it, and they wanted it bad.

"Gato..." "Yes Adiren?" "i..I want this...to go further...."

Gato smirked. "I do too, how about we don't hold back.."

Adiren was basically too excited to make words, so he nodded.

(*Freaky* warning!!)

Gato pushed Adiren on the bed, immediately going down to his thighs and pulling down his skirt, revealing his throbbing buldge poking through his polka dotted undies. Adiren was to embarrassed to even look at Gato, but he enjoyed every touch Gato had against his skin.

Gato teased the rim of Adirens underwear, lightly tugging it off bit by bit, it was almost down halfway to his thighs before Adirens erect cock sprung out from the tight underwear, having already a bit of warm precum in his tip. Gato gently pressed his thumb against Adirens tip,

feeling the sticky fluid smear all over his thumb, the feeling making Adiren let out a small whimper and turn his head away, his legs shivering.

"You're that sensitive?" Gato teased.

"I..just-..s-shut up!" Adirens face went red, and he hid His face with his hands.

Gato chuckled, he always knew Adrien was bold and daring in the chats they had, but he'd never expect him to be so cute in person. We'll, maybe he did.

Gato gently held adriens hard cock, gently stroking it up and down slowly, pulling back his foreskin and revealing his pink-reddish tip, precum pooling up again and slowly dripping down his shaft.

"You're leaking quite a bit..."

Adrien ignored Gatos comment, only being able to focus on the soft movements of Gatos fingers rubbing against his tip, every small movement he felt to the very max, and each one made his dick twitch lightly.

"Please...just- ugh~"

Gato teased hid tip further, listening to each small moan Adirens lips would bless him with. Just as Adiren, Gato had gotten quite hard swelling, but he chose to focus his attention on the whimpering male below him.

"Please what? It's hard to hear with your hands covering your pretty face."

Gato scooted closer to Adiren, gently grabbing one of his hands with his other free hand, continuing the gentle movement of his hands. "Let me see that pretty face of yours, please?"

Adiren peeked at Gato from between his fingers, only having a small second of eye contact before he quickly closed his palms again, his ears burning red.

"You're just that shy aren't you? C'Mon, can't I get just a peek?"

Gato pulled his hands away from Adurens face, putting them over his head and holding them in place, at the same time, he sped up with rubbing Adirens dick, making him whimper even more.

"Wait, don't speed up yet..! I'll cum too quickly...!"

"That's fine, I just want to enjoy this."

"B-but... yeah..ok"

Gato smiled.

He leaned down and gave Adiren a kiss, licking his lips and poking his tongue in Adirens mouth. They immediately began rubbing their tongues together, their saliva getting mixed with eachothers.

Adrien moaned and whimpered into Gatos lips from the sensation of Gatos hands on his dick, the quick movement made his dick grow bigger and thicker, he was close to releasing all his excitement.

“Gato- please..”

“Shhhh...calm down, you're so tense..”

Gato sat up, placing Adirens legs around his waist and beginning to slip off his shorts, and just as Adiren, his own cock sprung out from his underwear, already leaking from its tip.

Adrien took in every detail from Gatos dick, the veins leading up to the shaft and disappearing into the foreskin, the light ooze of his precum leaking out the very end of the foreskin, the soft pink color of the inside. It was all perfect to Adiren, he couldn't help but stare.

Gato placed his hands on Adirens knees, spreading his legs and scooting closer to him, Adirens excitement grew when he felt Gatos hands trail down to his underwear again, pulling them down further.

After Gato completely took off Adirens underwear, he tossed them aside and looked down at Adirens ass, placing a finger on his hole and stretching it open a bit. Gato pressed his tip against Adirens ass, gently pushing against it, but not enough to penetrate him.

Gato looked up and made sure Adiren was alright, giving him a gentle smile. “You ready?” Adiren could feel anticipation building up inside his chest, his face burned, and he let out a small whisper. “Yeah...go ahead..”

Without hesitation, Gato pushed in all the way, making Adirens back arch and make him grunt loudly. “UGHN~!” Gato let out a heavy breath, Adiren was tight and warm, it's all Gato could focus on. The pleasing sensation of Adirens ass.

“F-fuck..Adrien..calm down, you're going to snap my dick off.”

“Sorry..! It's just..y-you.. didn't warn me...” Adiren was panting already, his face went even redder with embarrassment, but among that embarrassment was arousal, he loved the feeling Gato was giving him, and he wanted more. “Gato...please...try moving..”

"You're needy as hell, you know?" Gato teased, chuckling before he began pressing against Adrian even more, Adrien's legs shivered.

"Ugh~"

"Breathe, you're such a mess already..."

Gato climbed on top of Adrien again, lifting his legs over his shoulders and leaning down to where their faces were Inches apart. "...It makes me want to make you even messier."

Gato began to slide out a bit, every time he'd thrust back in he'd add a bit off speed to it, making sure Adrien could adjust. "Just relax, close your eyes."

"Ok..I'll try.."

Adrien did as Gato told, closing his eyes and taking Deep breaths, he felt small tears pool at his eyes, he loved it.

Gato quickly sped up, thrusting ever so harder than before, keeping his eyes on Adrien for any change of facial expression. Gato gasped a bit, feeling an urge to just go ham at Adrien's ass.

"F-fuck...! Ah~ slow down.!"

"Hush, you can take it, just relax.."

"Ngh~ Gato~..!"

"Fuck... you're tight as hell.."

They continued, the two feeling even more attached to each other than before, it was simply the best for the both of them.

"Adrien..A-adrien..I can't hold back.."

"It's ok Gato, I'll be ok..."

Gato immediately gained a lot of speed and force, basically pounding into Adrien, a knot in his stomach tightened the faster he went. They were making the bed frame creak with each of Gato's movements, but neither cared, and they moaned and whimpered all through the session, feeling each other's warmth on each other's skin.

At one point, Adrien had almost come, but he held it back just to be able to cum along with Gato, and that he did.

Gato had felt the knot in his stomach finally set loose, and he let his excitement get a hold of him, making him erupt inside of Adirens ass, the warmth of that made Adiren immediately cum too, all of his sticky essence landing all over his belly and a good portion of his chest, landing on gatos chest as well.

They collapsed onto bed, both trying to catch their breath and cool down after such an intense session.

“Gato...”

“..Yes Adiren?”

“I love you ..” Adiren let out In a breathy voice, almost a whisper before he shut his eyes and immediately fell to sleep.

Gato chuckled, cuddling closer to his lover and letting out a deep breath.

“...I love you too...”

They both cuddled underneath the blankets, replacing the cold of Adirens room with their warmth and comfort.

The end of this *Freaky* story.
